

Dear Prospective Sponsor,

I am writing to you on behalf of the Zenon Park Community Partners, a non-profit organization in the community of Zenon Park, Saskatchewan.

Zenon Park Community Partners (ZPCP) is a volunteer organization based in Zenon Park, Saskatchewan. ZPCP is responsible for the upkeep of the two main recreational facilities in town, namely the skating arena and the community hall. Additionally, the organization assists with the provision of various programs through direct funding, subsidization, or administration of the programs. These include hockey, skating and community events, as well as other programs. As part of the mandate of the ZPCP, fundraising events are organized and conducted to raise funds.

This year we are hosting our annual Christmas Social on Saturday, December 6, 2025. We are contacting you today to see if your company would be interested in donating an item to our silent auction fundraiser or a donation of \$100.00 or more as sponsorship for this year's entertainment, Brady Weldon; a local singer from Carrot River, SK. Your partial sponsorship of the entertainment will be recognized as part of the signage that evening and announced throughout the evening. If you are interested in making a donation to the silent auction or as a sponsor of the evening's entertainment, your generosity would be greatly appreciated. A receipt for your donation can be provided upon request by emailing the ZPCP at: zpcp@sasktel.net.

Along with your donation to the silent auction, we would be pleased to display your business cards and catalogue on the table beside your donation. There is still plenty of time for shopping before Christmas and this would be a great way to gain even more exposure for your company.

If you are interested in donating, please contact me at (306) 570-5997 or by e-mail zpcp@sasktel.net.

Thank you for your consideration,

Jesse Miller
