

# Kool Summer DAZE

Reminder of the things that need to be brought to Kool Summer Daze:

- Sunscreen, bug spray & hat
- Water bottle
- Lunch and snacks
- Clothes that can get dirty
- Proper footwear (we will be getting lots of physical activity)

We will be going outside lots during the program so make sure that you are ready to do so by bringing the things on the list, kids will be spending all day at Kool Summer Daze so they will need a snack and lunch. We make many crafts that could get messy, so we ask you to throw a paint shirt in your child's bag so they don't ruin good clothing.
