Notre-Dame de la Nativité

Dorénavant, les paroissiens peuvent participer aux messes s'ils se sentent en sécurité. Toutefois, il est demandé de se désinfecter les mains avant et après la messe. Veuillez s'il vous plaît, vous inscrire en téléphonant au (306) 767-2458 si vous désirez participer à une messe spécifique du dimanche. Bien que l'église soit maintenant ouverte, le nombre de paroissiens est toutefois limité à 15 pour les messes à l'intérieur ou 30 pour les messes à l'extérieur afin d'assurer la sécurité de tous. Puisque le nombre de paroissiens est limité, il est recommandé d'alterner les dimanches ou d'assister aux messes pendant la semaine afin de permettre à tous et à toutes de participer.

L'abbé Travis

Pour plus d'information, veuillez consulter le site internet padiocese.ca ou la page Facebook du Diocèse de Prince Albert. Pour les messes de la paroisse de Zenon Park, Arborfield et Carrot River, rendez vous sur le site pasquiacatholic.com ou [Live Mass from Fr. Travis](#) sur Facebook pour les messes offertes en direct ou enregistrées (français et/ou anglais) ainsi que pour les mises à jour.

People are now welcome to come to church if they feel safe. We need people to sanitize and clean before and after Mass. Please sign up by calling the rectory office ((306) 767-2458). Call as well if you would like to attend Mass on a particular Sunday. Although the church is open, in order to keep numbers at a safe level (15 parishioners indoors or 30 parishioners outdoors) not all our parishioners will be able to attend every week. Since our Sunday obligation is still dispensed, consider coming to Mass during the week or rotating Mass attendance every other week. Thank you for your patience and let us continue to pray for one another.

Fr. Travis

For the Zenon Park, Arborfield and Carrot River mass schedules, go to pasquiacatholic.com or on [Live Mass from Fr. Travis](#) Facebook page for live masses (French and/or English) and updates.

Prière

O St Isidore, saint patron des fermiers, je viens vers vous maintenant vous demander votre intercession de la part de tous ceux dont le gagne-pain dépend de la ferme.

Je vous demande de prier pour que leurs récoltes aient assez d'eau et de minéraux pour assurer une récolte fructueuse et abondante.

Priez s'il vous plaît afin que leurs récoltes soient protégées de vents violents, d'inondation, de grêle, de rouille et de toute infestation de vers et d'insectes.

St Isidore, priez s'il vous plaît, afin que le Seigneur, dans son amour et sa sagesse infinie, bénisse leurs labeurs pour qu'ils puissent récolter les récompenses de leur travail bien fait sur la Terre et au Ciel.

Amen

Prayer

O St. Isidore, patron saint of farmers, I come to you now asking your intercession on behalf of all whose livelihood is based in farming.

I ask you to pray that their crops have sufficient water and minerals to grow to fruition and that they are abundant at harvest.

Please pray that their crops are protected from strong winds, flooding, hail, rust, and every blight of worm and insect.

St. Isidore, please pray that God in His infinite love and wisdom will bless their labors so that they may reap the rewards of work well done here on Earth and in Heaven.

Amen

ZENON PARK COMMUNITY PARTNERS

- Kool Summer Daze Camp: As of right now, we are unsure if the Summer Camp will be a go for this year. We will keep the community up to date when we find out if we are able to go ahead with the camp or not. So, be sure to watch our Facebook page and bulletin boards for updates.
- **Student summer job opportunity. See p. 10**
- Trip of the Month: Thank you so much to the community and everyone who purchased tickets for our 18th Trip of the Month Lottery. We greatly appreciate your continued support.

Our ticket sales were down this year from last year. This year 309 tickets were sold.

Our early bird winner for the \$500 travel voucher was Jeff & Christine Trombley of Carrot River, SK

50/50 winner for \$3,180 was Shane Janke & Sarah Turnbull of Tisdale, SK

1st place Trip to Kelowna: Rosemarie Gelsinger of Pilot Butte, SK

2nd place \$120: Roger & Amy Shipley of Nipawin, SK

Our next draw is on June 24 for the trip to Florence Italy

We have been working with Sask Lotteries and our Travel Agent to accommodate our winners as best as possible through this uncertain time. Our rules have been adjusted for all our 1st place winners. The new rules now state that you have 6 months to chose your trip and 1 year to book.

PLEASE TAKE NOTE: There was a printing error on our trip description that was sent out with the flyers and tickets. For our December 30th draw the destination package was Thompson MB: Otter Lake Fishing Camp. It has been changed to **Missinipe SK package:** Thompson's Resort Fishing Camp. The 3 nights accommodations with 16ft fishing boat for max of 8 people and the value of the trip remains the same. An email will be sent out to ticket purchasers regarding the error and a new printable sheet will be available on our website.

- Community Hall: Earlier this spring we had Armand Marchildon paint the Community Hall. It turned out awesome and we can't wait for everyone to see it.

Jardins élevés au Manoir Notre-Dame

Il y deux ans, nous souhaitions avoir de vrais jardins élevés pour le Manoir. L'emplacement présent n'était ni pratique ni attrayant. Alors, en espérant profiter du programme Nouveaux Horizons pour aînés et avec l'aide de Marguerite Tkachuk, représentante régionale du CÉCS, nous avons rempli le questionnaire exhaustif. Malheureusement, nous n'avons pas été accepté. Et voilà qu'en juin 2019 nous recevions une autre notice avisant que nous pouvions resoumettre notre demande. Alors à la tâche une fois de plus. Et oui, cette fois le projet a été accepté. Merci à Marc LeBlanc qui a construit, livré et aidé à installer nos jardins élevés pratiques et impressionnants. Grand merci aussi à Clément Dion qui a assuré la préparation du terrain, l'installation et maints autres détails. Merci à Leona Chabot, ardente jardinière (de plus de 90 ans) qui s'est impliquée lors des premières démarches. (Il ne reste qu'à installer le sentier en blocs de patio.) La semence 2020 est terminée, ce qui était à transplanter aussi. Veuillez

noter que ces jardins ne sont pas destinés uniquement aux résidents du Manoir. Si d'autres aînés de la communauté aimeraient en réserver un pour l'an prochain vous n'avez qu'à vous adresser au Manoir au (306)767-2270.

With the help of Marguerite Tkachuk, Regional Representative for the CÉCS, spending hours answering umpteen questions on a detailed report to New Horizons for Seniors Program (NHSP), our second attempt at qualifying for raised gardens at the Manoir was finally accepted. Thanks to Marc Leblanc for building, delivering and helping install our much appreciated impressive gardens. Clément Dion certainly deserves our heartfelt gratitude for preparing the garden space, providing and running the equipment for the installation plus numerous needs that surfaced. Thanks as well to Leona Chabot, avid gardener, aged 90 years plus, for her involvement while she was a resident here. (Patio blocks have yet to be installed for the walkways surrounding the raised gardens.) The seeding and transplanting is done for this year. A reminder though, that these gardens are available for any seniors in Zenon Park. Should you wish to reserve one for next year, please call the Manoir at (306)767-2270.

Sylvia Dion

IN LOVING MEMORY OF MARTIN CHABOT

Martin was born December 13, 1950 to Ernest and Stella (nee Lalonde) Chabot. He was the seventh of ten children growing up on the family farm one mile north of Zenon Park, SK. On May 12, 1972, Martin married Sandra Will. They returned to Zenon Park to farm and raise their family of four until moving to Nipawin in 1988.

Martin was involved in several agribusiness ventures throughout his life: Prairie Fiber, Parkland Alfalfa Products Ltd., and Parkland Terminal Ltd. Martin most enjoyed working with his three sons at Parkland Terminal. The continued support and friendship of farmers, contractors, employees and business partners was important to him.

Martin's grandchildren were his pride and joy. At family gatherings he could usually be found with a grandchild sitting on his lap. He loved to tease, take them for rides in his side-by-side and cheer them on at the hockey rink. He will be remembered for his quick wit and dry sense of humor. Family gatherings will not be the same without his story telling and the lively political debates. The family has many special memories of time spent snowmobiling, quading, boating, ice fishing and hunting with Martin.

Left to cherish his memory is his wife Sandra, their four children and ten grandchildren: Richard (Chelsey) Chabot, Lauren, Brooklyn, Paige; Philip (Kathy) Chabot, William, Katelyn, Andy, Matthew, Sarah; Paul Chabot; Anne (John) Srayko, Eloise, Oliver; his sisters and brother: Loraine Chabot, Helene (Maurice) Bussiere, Bernice (Butch) Berdusco, Giselle Favreau, Cyrille (Dona) Chabot; sister-in-law Estelle McCrea and numerous nieces, nephews and extended family. Martin was predeceased by his parents; sisters Isabelle, Valerie, Pauline Casavant; brother Emile and brother-in-law Ed Casavant.

IN LOVING MEMORY OF DENISE FORTIN

Denise Lorette Fortin was born August 30, 1927 in St Denis, Saskatchewan to Octave and Marie Anna Vigeant as the youngest of six children, of which she was the remaining surviving member.

Denise took her schooling in Zenon Park and married Rosario Fortin April 27, 1949 at the Notre Dame de la Nativité church in Zenon Park. They lived in St. Front and Vonda for a time and eventually settled in Zenon Park in 1955, where together they raised their five children; Estelle (Roger), Ronald (Cheryl), Clement (Darlene), Daniel, Cyrille (Joan). The seven granddaughters and twenty-two great grandchildren that followed always brought her immense pride and joy. She sadly suffered great heartache when her youngest son died suddenly in 2015.

In 2002, Mom moved to a supported independent living senior complex in

Nipawin, where she was actively involved in the housing community as well as the St Eugene Catholic Church community in Nipawin and remained very productive with her hobbies.

Mom excelled at and enjoyed cooking and baking. She was talented, skilled and a perfectionist at sewing, knitting, crocheting and quilting, as well as, obsessive at putting jigsaw puzzles together. Mom has always been fiercely independent, but due to her failing health she was accepted into long term care at Parkland Place in Melfort, SK on March 4, 2019.

Regretfully, due to Covid-19 restrictions, her family could not visit for mom's last six weeks or be at her side when she died. However, the family is forever grateful to the entire Parkland Place staff in the knowledge that on April 29, 2020 our mom passed away peacefully and in dignity, with much appreciation for their dedicated care and compassion.
