

# Village of Zenon Park Newsletter

## Snow Removal Policy

This policy outlines, in the event of large amounts of snow, the order in which snow removal will occur.

When at all possible, the order of snow removal will be such:

- Entrance to Fire Hall to have access to fire truck
- School yards and parking areas (only when requested)
- Mail truck lot
- Day Care - front
- Park Lodge back parking area
- Main Street - From Park Lodge to the Firehall
- Park Road - From 1st St. S to 2nd St. N (sidewalk to sidewalk)
- Manoir Parking area
- All fire exits and walkways to all village facilities
- Arena parking
- All other streets and back alleys to be made passable

**After all other key areas are cleared, private driveways as requested**

Common sense must prevail. Maintenance personnel must consider the day of the week and the time of the day that the removal must occur. If it makes more sense to follow a different list then this must be done.

Any snow removal done for private residents, the Department of Highways, Sasktel or the schools, MUST be tracked and recorded for later billing at the rate set out by council. This list needs to be delivered to the Village Office as soon as possible after each snow fall event, to be billed.

Any overtime by Maintenance personnel for the purpose of snow removal must also be tracked and later taken as time in lieu as set out in the Maintenance person's job description.

**Residents are asked to be patient after high snow falls. Maintenance staff need to adhere to the snow removal policy before dealing with any special requests. Any complaints are to be in written form and delivered to the Village Office to be dealt with by council at the following meeting.**

## Sidewalks

Snow removal on all residential and commercial sidewalks remains the responsibility of the property owner.

It would be greatly appreciated if residents would remove the snow as soon as is practical.

It is for the safety of all residents as well as giving access to emergency personnel if need be, not to mention that it looks much tidier when sidewalks are cleared of snow.

## Sale By Tender

The Village of Zenon Park offers for sale the following property "as is":

Block C Plan no.

BE2569

A tender must be submitted in a sealed envelope marked "property tender" addressed to the:

Village of Zenon Park

Box 278

Zenon Park, SK

SOE 1W0

Tenders must be postmarked by the deadline of April 1st, 2019. A certified cheque to the municipality for 5% of the amount of the tender must accompany the tender. Please state your intended purpose of the property. Highest or any tender not necessarily accepted. Successful bidder will have 30 days to provide the balance of cash to complete the purchase.

Dated the 22<sup>nd</sup> of February, 2019

Lisa A. LeBlanc

Administrator

## Reminder about garbage/recycle bins

The blue bins by the firehall are strictly for use of the municipality only. Residents are responsible for the removal of their own refuse that will not fit into the residential bins.

Any larger pieces need to be transported to the Tisdale and District landfill. For more information check out:

<http://www.tisdale.ca/landfill/>

Weekly bins should be removed from the street as is reasonably possible to give access to the maintenance staff to the street.

## House Numbers

As has been mentioned in other newsletters. It is very important for everyone to have clearly marked house numbers on their homes.

Please see that your numbers are in place.
