

ANNUAL WATERWORKS INFORMATION

ANNUAL INFORMATION TO BE MADE AVAILABLE AT THE MUNICIPAL OFFICE BY SEPTEMBER 1 OF EACH YEAR (beginning 2006)

Year: 2022

Name of Municipality: Village of Zenon Park

Date: August 10, 2023

WATERWORKS RATE POLICY

On June 8, 2021, Council passed a bylaw to fix the rates to be charged for the use and consumption of water and to fix the rates to be charged by way of rent and service charge for the use of the sewer. Bylaw 05/21.

Under the waterworks rate policy bylaw, the water rate of \$26.00 per month for the first 2,000 gallons of water and \$8.00 per 1,000 gallons in excess of 2,000 gallons, as adopted under the Water Bylaw no. 05/21, dated June 8, 2021.

The objective of the Waterworks rate policy is that we had to replace the water filter and in so doing have incurred a debt to the Diamond North Credit Union. As well as needing to replace valves in the water treatment plant and to build up a reserve for future projects.

WATERWORKS CAPITAL INVESTMENT STRATEGY

The objective of the waterworks capital investment strategy is to address anticipated waterworks infrastructure maintenance, the immediate drinking water infrastructure problems and future infrastructure replacements in a timely fashion so as to ensure the municipal waterworks provides safe drinking water to residents and businesses. The strategy uses the 2006 waterworks system assessment that was required by Saskatchewan Environment for infrastructure planning.

The capital investment strategy will ensure that safe drinking water can be provided to the residents and businesses in Zenon Park well into the future.

ANNUAL WATERWORKS FINANCIAL OVERVIEW

The following is information on the waterworks, as required under The Municipalities Regulations:

2022 Waterworks Overview:
